

HIVE FAQs

Accounts & Profiles

Q: How do I create an account on Hive by Novaetus?

A: You can register using your email address and a secure password. After verification, you'll be able to log in and set up your profile.

Q: Can I edit my profile after signing up?

A: Yes. You can update your bio, skills, and work experience anytime from your dashboard. Keeping your profile updated increases your visibility.

Q: I forgot my password. What should I do?

A: Use the "Forgot Password" option on the login page to reset your password securely.

Jobs & Applications

Q: How do I apply for a job?

A: Browse available jobs, select one that matches your skills, and click "Apply" to submit your profile and relevant documents.

Q: How do employers post a job?

A: Employers can log in, click on "Post a Job", and fill in details like job title, description, compensation, and deadline.

Q: Can I withdraw my application after applying?

A: Yes, you can withdraw your application anytime before the employer takes action on it.

Messaging & Collaboration

Q: How do I communicate with other users?

A: Hive has an in-app messaging feature for secure communication. Use it to discuss requirements, timelines, and deliverables.

Q: Can I share files in messages?

A: Yes, you can share documents and files directly within the chat to support collaboration.

Payments & Subscriptions

Q: How are payments processed on Hive?

A: Payments are securely handled through integrated payment gateways. Employers deposit funds, which are released once the work is approved.

Q: What is Hive Plus?

A: Hive Plus is our premium subscription that offers additional features such as higher profile visibility, advanced search filters, and exclusive job opportunities.

Q: How do I cancel my subscription?

A: You can cancel anytime from your account settings. Your premium features will remain active until the end of your billing cycle.

Support & Security

Q: How do I raise a support ticket?

A: Log in to your account, go to Support, and submit a ticket. Our team will respond as soon as possible.

Q: Is my data secure on Hive?

A: Yes. All information is encrypted, and strict privacy policies are enforced to protect your account and data.

Q: Where can I find more help?

A: You can always visit our Support Page or contact us directly if your issue isn't covered in the FAQ.
